BENCHING

NOTE: A cheerleader's first time being benched for any reason (tardy or practice absence) is considered a warning.

All squad members must provide their own transportation to games, pep rallies, events held at Woodcreek High School AND away games. Not having a ride to a game or event will not be an excuse for being tardy or missing an assigned event.

If a JV cheerleader chooses to stay after the **away** game for which he/she cheered, that cheerleader must remain in and written permission must be on file. If someone other than the parent is picking up the cheerleader, that person must be listed as an emergency contact.

TERMS OF QUITTING

Quitting is highly discouraged. Once a cheerleader makes a commitment to a team, that cheerleader is expected to finish the season; that being said, if a cheerleader does quit after a season has started, then they are ineligible to try out for the following season. Financial obligations are the responsibility of the cheerleader and the family.

If you decide to try out for the WHS Cheerleading Program, you have the possibility of being part of a growing program that aims to not only improve your current cheerleading skills, but will encourage you to enhance your leadership, motivational, and organization skills for your future.

Social Media Guidelines for WHS Cheerleading

Dear Woodcreek High School Cheerleaders & Cheer Families,

The WHSCheer Program respects the right of its students to use social media. However, it is important for WHS Cheerleaders to understand the need to exercise care in setting appropriate boundaries between their personal and public online behavior and to understand that what may seem private in the digital world can often become public, even without knowledge or consent. WHS Cheerleaders who use social media must remember that any information posted can reflect on the entire WHS community and, as such, is subject to the same behavioral standards and consequences set forth in the WHS Cheer Handbook and Ethics Guidelines.

Social media can be a useful tool to communicate with teammates, fans, friends, coaches, and more. Social media can also be dangerous if you are not careful. Potentially every picture, link, quote, tweet, status, or post that you or your friends put online can be forever a part of your digital footprint. You never know when that will come back to hurt or help your reputation during the recruiting process, a new job, or other important areas of your life.

Attached you will find the social networking guidelines which provide the following guidelines for social networking site usage for the 2024-2025 School Year.

Everything you post has the potential to be public information – any text or photo placed online is completely out of your control the moment it is placed online – even if you limit access to your site. Information (including pictures, videos, and comments) may be accessible even after you remove it. Once you post a photo or comment on a social networking site, that photo or comment becomes the property of the site and may be searchable even after you remove it. Even if you diligently monitor your privacy settings, it's best to assume that anything you post has the potential to be seen by your school, your coaches, your parents, and strangers. In addition, even if your profile is set to private, a friend can always download and save incriminating photos that third parties can use against you in the future.

What you post may affect your future. Many employers, and college admissions officers review social networking sites as part of their overall evaluation of an applicant. Carefully consider how you want people to perceive you before you give them a chance to misinterpret your information (including pictures, videos, comments, and posters). Similar to comments made in person, WHS Cheer will not tolerate disrespectful comments and behavior online, such as:

1. Derogatory language or remarks that may harm my teammates or coaches; other RJUHSD student athletes, teachers, or coaches; and student- athletes, coaches, or representatives of other schools including comments that may disrespect my opponents.
2. Incriminating photos or statements including but not limited to depicting violence; hazing;

sexual harassment; full or partial nudity; inappropriate gestures; vandalism, stalking; underage drinking, selling, possessing, or using controlled substances; or any other inappropriate behaviors.

3. Creating a danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person. o Indicating knowledge of an unreported school or team violation - regardless of if the violation was unintentional or intentional.

While the freedom of expression is a right, there are limits to the freedom. The on-line social network sites are NOT a place where you can say and do whatever you want without potential repercussions. The information you post on a social networking site can be considered public information. Protect yourself by maintaining a self-image of which you can be proud for years to come.

Aspirants: Recognizing the above, please initial and complete by each statement:

_____ I take responsibility for my online profile, including my posts and any photos, videos or other recordings posted by others in which I appear.

_____ I will refrain from posting profanity on my social media.

_____ I will not degrade my opponents before, during, or after games.

_____ I will post only positive things about my teammates, coaches, opponents, and officials.

_____ I will use social media to purposefully promote abilities, team, community, and social values.

_____ I will consider "Is this the me I want you to see?" before I post anything online.

_____ I will ignore any negative comments about me and will not retaliate.

_____ If I see a teammate post something potentially negative online, I will have a conversation with that teammate. If I do not feel comfortable doing so, I will talk to the team captain, or a coach.

_____ I am aware that I represent my sport(s), school, team, family, and community at all times, and will do so in a positive manner.

_____ I understand that I am subject to a disciplinary consequence and possible dismissal of the program in its entirety should I be found in violation of any of the guidelines set forth by WHS Cheerleading Program.

Woodcreek Cheerleader Handbook Agreement

I _____ have read the Woodcreek Cheerleading Handbook & understand the responsibilities and privileges of being a Woodcreek High School cheerleader. I will abide by these guidelines and policies **if chosen** for the cheerleading squad. I understand that if I do not follow the expectations, I will receive appropriate consequences and may be removed from the cheerleading squad and may not be eligible to try out again. If I have a problem with an action or comment by my coach I will make sure to discuss the issue using the proper chain of command as stated in the cheer handbook. I will cooperate fully with the coaches and all persons and organizations concerned to promote spirit and good sportsmanship at Woodcreek High School. At all times, whether at school or away from school, I will conduct myself in a manner of the highest standards that best represents the students and faculty at Woodcreek High School.

I agree that my child will attend ALL the scheduled cheer events including games, practices, fundraisers, events, and performances as required throughout the cheer season.

I understand that all forms attached must be completed and returned on March 22, 2024, to the WHS Front Office, or my child will not be allowed to try out. I understand that my child must already be enrolled or pre-enrolled at Woodcreek High School or they will not be able to try out.

I understand that my student must provide a completed physical form before they can attend the cheer clinic and ultimately try out for the cheer program.

I understand that coaches and judges will be used during the tryout process, but that the coaches' decision is final. I understand that my child will be evaluated on technical skills, ability, coachability, and attitude. The technical skills to be evaluated are motions, jumps, dancing, tumbling, and stunting (if applicable), flexibility. As the parent(s) I/we agree to abide by the final decision of the coaching staff during and after the tryout selection process.

I understand that if my child is chosen to be a cheerleader at Woodcreek High School that it requires a **MAJOR TIME COMMITMENT**. Cheerleaders are required to cheer at all home and away football games, all home Boys Basketball games, other sporting events if scheduled, perform at rallies, attend all practices, participate in all fundraisers, participate, and compete within the competition team (varsity) or if selected by the coaching staff, and attend scheduled community events (ie: parades, fair, etc). Cheerleaders should anticipate having 10-20 hours of cheer related activities per week for the entire year. This time commitment is **NOT** compatible with work, outside cheer (rec or all-star), musical theater, drama, choir, band, or other team sports. However, if a student is involved in more than one activity, they must manage their time effectively and **communicate regularly** with their cheer coaches or they may not be able to participate in a number of cheer related events if they are not prepared. Also, they may not qualify to receive their Athletic Letter at the end of the year. This decision will be left to the coaches, advisors, in consultation with the Activities Director.

I have read and discussed with my child the guidelines as stated in the Woodcreek High School Cheerleader handbook & Tryout requirements, and I understand the responsibilities and commitment of being a cheerleader. I also understand the role I must assume as a parent of a cheerleader, and I will assist in every way to see that the rules and regulations for my student-athlete are enforced. I will support the coaches and administration in decisions made throughout the season. If I would like to discuss an issue related to my student I will make sure to use the **proper chain of command** as stated in the cheer handbook.

I will adhere to the financial obligations as stated in the cheer handbook. I understand that the sport of cheerleading has a risk of injury. I understand that every attempt will be made to properly supervise all activities to prevent any accidents or injuries.
